The Willamette Valley experienced a short, intense growing season in 2017. This resulted in grapes with balanced acid structure, normal sugar levels and fully developed flavor.

We returned once again to the 4-acre Tonnelier Vineyard micro-site in the Yamhill-Carlton AVA that we've used from the beginning. The Dijon 115 and 777 clones are planted in Willakenzie marine sedimentary soil, rising from 460 to 520 feet in elevation.

**Villanelle is always made from 100% free-run wine.**

The 2017 vintage was barrel-aged for 12 months in French oak. Layered and elegant, this wine showcases the richer mouthfeel and spicier characteristics of Yamhill-Carlton AVA pinot noir.

**BELLS UP**  
WINERY

Micro-boutique, un-domaine and always open by appointment, Bells Up Winery composes handcrafted, classically styled Oregon Pinot noir with grapes sourced primarily from micro-growers on the northern side of the Willamette Valley.

Established in 2013, our first wines were released Memorial Day 2015. We make approximately 400 cases annually and offer a small selection of other Oregon-grown varietals.

The 9-acre Bells Up estate vineyard, located in the Chehalem Mountains AVA just north of Newberg, is being planted in phases. The first 3 acres of Pommard and Clone 667 were planted spring 2014; the Willamette Valley's first planting of a 0.5-acre of Seyval Blanc in spring 2015; and 2.5 acres of Wadenswil, 113 and 943 planted in spring 2016. The first estate harvest occurred in fall 2017.

The name "Bells Up" refers to a dramatic moment in classical music where the composer instructs French horn players to lift the bells of their instruments up and project sound with maximum intensity. Bells Up's winemaker and owner Dave Specter—a French horn player who performed throughout high school and college—says the winery is his "Bells Up" moment.
